

Memo from
JOSHUA LEDERBERG

To: Mr. Mark Talisman

DEC 15 1970

Insertion into Congr. Rec.

Dear Mr. Talisman--

I am sure this does not deserve your highest priority; but I have had a number of inquiries about this article, and it would greatly relieve my own embarrassment (and perhaps help to clarify some others' thinking) if you could indeed help to get this on the record.

Yours sincerely,

PROFESSOR JOSHUA LEDERBERG
